

## ZOOM LIGHT

## Zoom Series

The Zoom Light offers both style and function and is perfect for highlighting or bringing light to specific areas. The zoom light is recessed into the ceiling and can be adjusted 360° and focus light where needed. This light fixture is ideal for use in showrooms, display areas, kitchens, bedrooms, living rooms, hallways, and dining rooms - giving you the ability to direct light exactly where needed without the need for multiple light fixtures.
